Safety

Please note that anyone under 18 should not be in the carpark or outside March Community Centre during music sessions or break times without adult supervision, as the carpark is often busy. This is stated in the code of conduct as part of safeguarding.

Chaperones

Please be aware that for ticketed concerts, children under 16 MUST be brought into the venue (not just dropped off) and collected by parents or guardians only (not friends). If there is a problem with this, please contact FMCA so that we can assist as we want children to play in the concerts, but have the responsibility of ensuring that safeguarding requirements are met.

Diet and Medical issues

If there are any dietary or medical issues that may be relevant to you or your child when you attend FMCA, please detail them here:

Personal Information/ GDPR
